**A Dr. is available for injury care, advice, and certification via. Telehealth**

**This service is available from 7AM to 10PM (daily)**

**ALWAYS CALL **02 9159 3711** to alert us to a new referral**

**\*\*This is ESPECIALLY IMPORTANT outside of our usual office hours\*\***

**Response times are rapid during our usual office hours**

**BUT can be up to several hours on weekends & Public Holidays**

**Injured workers SHOULD NOT complete the electronic referral form**

**CLICK ON THE CLOCK - CHECK WHAT TIME IT IS IN SYDNEY !!!**

**Do not expect Dr. to be able to consult outside of the hours of coverage**

**i.e. There is no doctor from 10pm to 7am daily**

**If you are requesting an ASAP/ urgent review outside these hours, we strongly recommend that you seek local attention for your worker if critical care cannot wait.**

**However: Referral can still be completed seeking "non-urgent review" and our team (Dr. or reception team) will then follow up either whenever Dr. is next available or during usual office hours.**

**HPOM is based in **Sydney** and office hours are Mon - Fri 8am to 5pm (AEST)**

**With significant injuries, call 000 or transfer to hospital before calling us**
